

**K. K. WAGH POLYTECHNIC, NASHIK.**  
**DEPARTMENT OF CHEMICAL ENGINEERING**  
**( ACADEMIC YEAR 2026-27)**  
**Timetable (Odd Sem)**

w.e.f. - 01/07/2026

| SYCH (210)  |             |                                            |                                           |           |                                            |                                           |                                           |
|-------------|-------------|--------------------------------------------|-------------------------------------------|-----------|--------------------------------------------|-------------------------------------------|-------------------------------------------|
| TIME        | Lecture No. | MON                                        | TUE                                       | WED       | THU                                        | FRI                                       | SAT                                       |
| 8.00-9.00   | L1          | EIC(210)                                   | UPM-A(214)/<br>IAIC-B(210)/<br>CCE-C(213) | PIC(210)  | PIC(210)                                   | UPM(210)                                  | PCL(210)                                  |
| 9.00-10.00  | L2          | UPM(210)                                   |                                           | PCL(210)  | CPT(210)                                   | IAIC(210)                                 | PCL-EX(210)                               |
| 10.00-11.00 | L3          | CPT-A(213)/<br>PIC -B(502)/<br>PCL-C (215) | CPT(210)                                  | CCE(210)  | CPT-B (213)/<br>PIC-C(502)/<br>IAIC-A(214) | CPT-C(213)/<br>PIC-A (502)/<br>UPM-B(214) | PIC(210)                                  |
| 11.00-12.00 | L4          |                                            | CPT(210)                                  | UPM(210)  |                                            |                                           | CPT-EX(210)                               |
| 12.00-12.50 | RECESS      |                                            |                                           |           |                                            |                                           |                                           |
| 12.50-1.50  | L5          | CPT-A(213)/<br>PIC -B(502)/<br>UPM-C (214) | PCL(210)                                  | CCE(210)  | CPT-B(213)/<br>PIC-C(502)/<br>CCE-A(214)   | CPT-C(213)/ PIC<br>A(502)/ PCL-<br>B(215) | PCL-A(215)/<br>CCE-B(213)/<br>IAIC-C(214) |
| 1.50-2.50   | L6          |                                            | PCL(210)                                  | IAIC(210) |                                            |                                           |                                           |

| Class Coordinator:-Mr. M. N. Shete |                                                     |             |              |                                                |
|------------------------------------|-----------------------------------------------------|-------------|--------------|------------------------------------------------|
| Sr.No                              | Subject                                             | Subject Abr | Subject Code | Subject Teacher                                |
| 1                                  | Process Calculations                                | PCL         | 313336       | Mrs. J. H. Nihalani(TH &PR)                    |
| 2                                  | Chemical Process Technology                         | CPT         | 313337       | Mrs. A. B. Shaikh(TH),<br>Mr. M. N. Shete (PR) |
| 3                                  | Process Instrumentation and Control                 | PIC         | 313338       | Dr. S. S. Rikame (TH & PR)                     |
| 4                                  | Utilities and Plant Maintenance                     | UPM         | 313339       | Mrs. Y. S. Kumawat(TH &PR)                     |
| 5                                  | Essence of Indian constitution                      | EIC         | 313002       | Mr. P. M. Pathak (TH)                          |
| 6                                  | Chemistry for Chemical Engineers                    | CCE         | 313016       | Mrs. A. B. Shaikh ( TH &PR)                    |
| 7                                  | Introduction to Analytical Instruments for Chemical | IAIC        | 313017       | Dr. P. S. Bhandari (TH & PR),                  |

**Mrs. Y. S. Kumawat**  
**Time Table Co-ordinator**

**Dr. P.S.Bhandari**  
**H.O.D (CH)**

**Prof.P.T. Kadave**  
**Principal**
